We want to express our heartfelt gratitude for your kindness during Brian's unexpected passing. Your presence, thoughtful gifts, flowers, food and the time you took to share your memories and condolences meant more to us than words can convey. In a time of such great sorrow, it is the support of friends that brings comfort and solace. Your thoughtfulness has been a source of strength for our family as we navigate this difficult period. Thank you once again for your compassion and support. We are truly grateful to have you in our lives.

All are welcome!

Dear Bethany Church Family~ Thank you for your continued prayers and recent generous financial gift. Both are greatly appreciated and needed!
 The ministry here is going well. Daily, we see the struggle with sin and the work of God. Ministering to at-risk boys requires us to dig deep & demonstrate a love that only God supplies. Another "hidden" ministry here that we take seriously is our fellow staff - to encourage them in their walk & work, especially on the hard days. This, too, is going well.
 There are currently 8 boys here ages 10-17. Ben works with them each day doing community service projects - its a part of the program that exposes the boys to positive groups/people in the community and helps them experience what its like to give back. Tia volunteers in the school 3 hours /week, as well as home-schools our 5 kiddos for this school year. All the kids are engaging with the ranch boys, and we hope that the boys are able to see in us what a family can someday look like for them.
 The ministry here is vital & meaningful. God has used this ranch to redirect lives from a path of crime to a path of generous living. Thank you again so much for your prayers & gift! They make a difference!
